

Hubei University

2023-2024 Student Exchange Programs

Application procedures:

1. Nomination:

The student's home university makes the nomination of the student by e-mail at sao@hubu.edu.cn , with the following information:

- Full Name
- Gender
- E-mail Address
- Course being taken at the home university
- Exchange period at Hubei University
- Address for reception of the Acceptance Letter

2. Application:

After the nomination, the student will receive an e-mail with a link to fill out his/her personal information and to upload the following documents:

- Personal Information
- Copy of the passport (Main page where the picture is)
- Enrollment Certification
- A photo in JPG format
- Official academic transcripts issued and sealed. For transcripts in languages other than English, a notarized English translation is required.
- Foreigner Physical Examination Form

At the moment of subscription, the student must inform the name of the subjects he/she wishes to attend during the exchange. Since the final list of subjects offered is only posted close to the beginning of the classes, it is possible that there'll be changes to the student's subjects. Students will be informed if there are any changes of subjects.

3. Admission:

After finishing the online application, the student should wait for a contact from Hubei University. It won't be necessary to send the documents neither by mail nor by e-mail.

Deadlines for nominations and candidature submission:

Fall Semester (September – January) : Nomination – April 1st, Application - June 5th

Spring Semester (February - June): Nomination – October 25th, Application - November 10th
